Hi Jennifer,

Libby informed me that you will be working on the CFAC site. Congrats! I can tell you, it has been a rewarding experience working on this site. I've let Mike Cirian know about the change and he invites you to contact him anytime.

I am hoping we may have an opportunity to talk to go over the site briefly. Is there a good time for you? Good things are in motion at the site and I believe you will be a great asset. I was very glad to hear you will be the CIC for CFAC.

At least from my perspective, Mike has been great to work with and we hit a good stride in team coordination. He is a good listener, very supportive of CIC work, and easy to coordinate and talk with.

I hope to fill you in more before I leave.

Thanks Jennifer!
